

# CASH DEPOSIT SYSTEM (CDS) 1500

IN TODAY'S WORLD CUSTOMER DEMANDS AND EXPECTATIONS MOVE FAST

## Secure, Accurate and Reliable

The **CDS 1500** cash deposit machine is 'plug and play' compatible with all existing De La Rue CDS 500 and CDS 1000 installations.

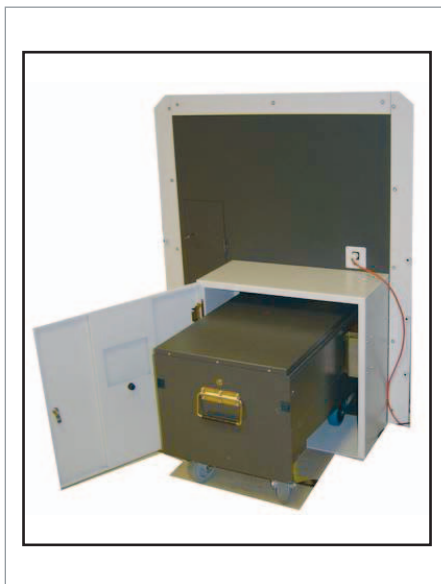

The **CDS 1500** is built around a Windows™ PC based system and can be configured as an off-line unit or as part of a fully networked system, providing real time data capture and crediting of accounts.

### Benefits of CDS 1500

Easy replacement, more innovation and simple connectivity

- Simple 'swap out and in' procedure
- Can use same coin vaults as CDS 1000
- Counting head purged after every count
- Faster & more reliable ticket printer
- Simpler network connectivity - PC based
- Fully compatible with CADIS
